“*the Kingdom experiment*”

(Dictionary says ‘Experiment’ contains these aspects: Trial, Test, Investigate, Research)

A one day introductory seminar for everyone on leadership into the Kingdom of Heaven!

Excerpt:

(“Spiritual leadership deals with the organism of the Body of Christ and life (being) – Spiritual management deals with the organization of the Kingdom and work (doing).”

You have experienced your arrival and destination, your beginning! Currently you are on a space-time-locked journey so that you may discover your eternal destiny. It is the reason why being here on earth is so vitally and extraordinarily important!

You want to go to heaven! God wants to come to earth!

I will show you biblically and by the Holy Spirit in this one day introduction to the Kingdom of Heaven that unless we bring God to earth fully in us first, we won’t make it into the Kingdom of heaven. I will show you biblically and by the Holy Spirit that heaven is not our “home” and is not a “destination”. It is something far greater and Jesus said we really need to know – so why aren’t we being told? Perhaps you already know – but what if you don’t? There are eternal consequences! Do you want to find out what Jesus wants you to know – and that your heavenly Father has actually been in dialogue with you from the beginning?) (Your coach, John Fergusson)

"the Kingdom experiment" is a leadership seminar to reveal and coach from a new exemplar in Kingdom leadership development. This is about a new leadership paradigm of the Spirit's construct of the Kingdom, for each and everyone who believe they have leadership qualities in their own unique and special field.

No matter what our vocation, specialty, area of expertise, we are either leading others into God and God into others by it, or we are leading them away from Him because of our own ungodly betrayal. There is no benign sanctuary of neutrality – anywhere! There is no such thing as a "no God zone" on this earth. There are qualifications required to enter and become a beneficiary of the Kingdom. Do you know what they are? Jesus said, "Except you become as a little child you shall in no way enter the Kingdom".

Among other very important and revolutionary matters we will be looking at Jesus' peculiar concept of, "Leadership from a little child's perspective"!

As beings filled with Christ we have an exceptional earthly provision. As beings lead by Christ we have an outstanding worldly advantage. As beings leading others into Christ and Christ into others, we have an incomparably unique responsibility to rise to the measure of the stature of the fullness of Christ and to know the love of Christ, which surpasses knowledge, in order that we might be filled with all the fullness of God, on this earth, in our generation! (Eph 2 & 3) For what purpose?

What is God's purpose for you and more importantly, your purpose for God?

The Leadership Seminar costs only: \$120.00, or \$95.00 (early bird registration for all events).
\$120.00 after 2 weeks prior to event date and must be paid
by the day before the leadership seminar begins.

About John Fergusson:

John Fergusson is an accomplished and highly respected teacher, public speaker, author, songwriter, a pioneer strategist, tactical planner and fellowship catalyst of God's Kingdom. He is gifted in revealing new ideas with inspiration and revelation and wrapping them in practical, everyday social and communal living conditions for the wellbeing and transformation of every believing human being.

John (with his wife Despina) lives, works, leads and serves out of Sydney Australia. He was ordained into the ministry of the christian church in 1968 in California USA after graduating from seminary in 1967 in upstate New York. He pastored for many years in fulltime ministry in the US and Australia whilst travelling to speak and minister in conventions and conferences in many countries of the world, which he still loves to do. John is also a businessman committed to communicating the Gospel of the Kingdom of the Lord Jesus Christ at every level of the community.

Only with the reality of the Kingdom working within each of us will we see the reality of the church without! Remember, the church is a living organic body governed by the Kingdom within each and everyone. It is not an institution, nor an organization, but the living presence of God in His people who are being transformed and changed into the very same image of the Lord by His Spirit.

God uses everything to do this – yes everything and engages everyone sooner or later – whether descending, or ascending!
