

Reign - The Realm of Divine Leadership and Influence

REIGN

This is a leadership education program set to strengthen true leadership—in its Godly and Fatherly dispositional attributes—to influence christian/business/church and government culture and to transform the governing worldwide institutional, corporate and SME/NGO mindsets to one of great influential examples in godly leadership.

Episode 2

THE FOUNDER & BUILDER OF THE KINGDOM OF HEAVEN OUR LORD JESUS CHRIST

Life is a journey of becoming! It's all about fully becoming who God says you really are as His son or daughter. You have been given rich passion and extraordinary love for the pursuit of not just becoming, but partnering with Him – for an amazing work on Earth, as the full employment of Heaven, in His Kingdom/Realm, for His Church/Body.

- He wants you to have and know His very clear Vision of His Father's business and communicate it to everyone He brings to you, or sends you to. We all have a part to play and are given a portion of the realm/domain to be responsible for.
- He chose you so well. How well have you chosen Him? It is not just about your capabilities but more about your alignment with His Vision, Mission and Values.
- Domain/Mission/Work/Job selection is significant. The temptation can be to take every or any opportunity that comes your way, but it pays to be measured according to Christ by doing your research in and by the Holy Spirit first.
- Find and align true Ambassadors of Christ to help you. The Holy Spirit's assistance is available to you. He will open and close doors where you can't.
- Think global, but act local. Think heavenly but act locally. Localisation in each domain where there is open community will keep you relevant, related and respected by all true believers.
- Give wholeheartedly into the community. Communal social responsibility should be intrinsic to every person.

It all begins with 'Our Heart' that delivers locally and globally, the world's best human being experience. Even so, it is only as good as the people desiring it connect, with the front line – i.e. our worldwide family and our Father of whom the whole family in heaven and earth is named.

- No one can make life's journey alone – you may think you are the last person on the bus and that no one notices you – but there is always the bus driver!

THE LOGOS KINGDOM FOUNDING DOCUMENT

THE NEW TESTAMENT OF JESUS CHRIST—THE PERSON

The Lord Jesus Christ's Vision

His vision is to see The Kingdom of Heaven Lived Life as the leading example on Earth, built on the solid rock of Jesus Christ the foundation and chief corner stone and that the evidence of the Christ built life will be there for many years to service and meet the needs of people by the Holy City whose builder and maker is God.

To be pioneers and at the cutting edge of the Kingdom in establishing new inroads and approaches to meet the ever changing needs of the nations and the people's changing traditions & cultures on the Earth.

It is Christ's Vision that Ambassadors Of Christ should be present in all capital cities, towns and in all communities, sharing with passion and conviction in a variety of formats and language – from one-on-one, the small meeting concept, right through to super-size gatherings, where ever and whenever, if ever it is suitable.

This will be achieved by Christ/Anointed quality people and partner teams, full of the Holy Spirit.

The presentation and character of each person will position God's Kingdom people above all challengers & opponents.

Having carried out initial marketplace research and surveys over the last 2000 years, and totally believing in "The Lord Jesus Christ" and "His Kingdom", we know the world is ready to receive a fresh approach as portrayed by the King of all kings for The Kingdom of Heaven.

As a result, it is our desire to expand into this world with Christ/the Anointing, rapidly through the eternal gospel of the heavenly Kingdom once the Father's initial work has been tried and proven in its foundational work within each of us, as revealed by our Lord Jesus Christ in us. It is not a method. It is a 'New Genesis'—a 'New Creation'—a 'Holy Nation' whose 'citizens are of Heaven', a 'Spiritual House', a 'Holy City' whose 'builder and maker is God'!

REIGN

The V. M. & V. is the founding document and charter that dictates and governs our godly culture and is the DNA of the realm of God—His Kingdom.

- Vision = ‘Plan of Purpose’! The controlling ‘line of sight’ = the translation and interpretation of a ‘blueprint’ into a clearly understood ‘hard copy’, which is used for the purpose of ‘verbalizing’ and ‘rendering by voice’ the creation and building of our Father’s worldwide realm in order to equip the Universe. (See Eph)
- This Vision must be led by anointed, strong and influential godly people in every area of life.

I have inserted the word “people” into this statement in order for you to be able to personalize it. Otherwise we so often talk about the ‘Corporate Family’, ‘Company’, the ‘Body’, ‘Organization’ and remain disconnected as if it is not us when it is us – **me – you !**
The Family/Company/Organization/Body—each Member is who we are and what we say and do!

- Too often what we say and then do are two different things. We must talk our walk! If we are intending to reign we need to talk according to our walk. If we don’t – then the world will dismiss us as people whose word is cheap and our walk unacceptable. We cannot use the deceptive excuse which incidentally, cannot be found anywhere in the Bible and I quote the false statement: “I’m just a sinner saved by grace, so I inadvertently make mistakes!” “I can’t help it—I’m still human—you know, I’m still a sinner that’s saved by grace, not good works!” But according to holy scripture, your ‘good works’ will save you from the ‘Fire’ according to the founder of God’s Kingdom. This fire is called by Jesus the ‘Second death’ and by Paul His apostle ‘salvation by fire’. Read about it all in Rev, Cor, and Heb.
- Our walk is always governed by our heart/mind. It brings our head (thinking) into its alignment. No matter how strong you think your will may be set, if it is not what your heart is saying and doing it will eventually defer to your heart/mind when under pressure!
- The heart/mind rules the feet as well as the mouth. It is so amazing that the mouth (talk) can be saying we are going in the opposite direction to where our feet (walk) are actually taking us! This double mindedness (deceitful standard) leaves us prey to those who know how to rule and reign with integrity (truth, honour) and trust, from the least in the kingdom/realm to the greatest.

Self Test:

Go ahead, put your name into it and ask yourself the question: Is loved and respected? Do I talk and walk the Lord’s Vision? Do I see the evidence that my talk and

walk demonstrates my love and respect for His Vision and all those involved, confirmed by my family and colleagues? See Saul's experience on the DAMASCUS ROAD. (See Acts)

Would my family colleagues and co-workers confirm my answer?

The Lord Jesus Christ's Mission

To give God the Glory in all we do.

To establish with our brothers & sisters and non-believing guests around the world, both in service and ministry, the Lord Jesus Christ as the foremost person, leader and King of the Kingdom of Heaven, and the builder and head of the Church, His Body, together with all of those He has called and equipped as members one of another, to be the joints of supply by being established in His given quality of character and in the true value and attributes of His person, with all of His accessories and gifts that are provided and given to us by His Holy Spirit.

Strategic Mission Objectives:

Encourage our co-workers and friends to embrace all who Christ has received in a warm and congenial manner, always endeavoring to build a loving environment where we all equally treat each other with civil respect and Godly dignity.

Apply the highest standards of excellence in our person and service.

Build happy and satisfied children of the Kingdom of Heaven who keep coming to the Father, through Jesus, by Christ (the Anointing), in the Holy Spirit for growth, development and equipping.

Respond with Godly effectiveness in our actions and ethics with a desire to be spiritedly pro-active with a will to win all of Christ and complete our course in matching Him as our Father's first of His kind—against whom we are being judged/measured.

Provide profitability through our love, efficiency and productivity of God and generate a return on Christ's eternal investment from Heaven on Earth. Jesus explains all of this in the 'Gospels of the New Testament' with multiple examples/parables.

Mission = Replication! Working with and serving our family with passion and commitment, using our abilities, gifting's, talent, education, experience and expertise of the anointing to fulfil our objectives together as a family/team, to deliver to our family members worldwide, and to give them all, the best eternal life-giving human experience imaginable.

- The reason we want our family members back again and again in fellowship bringing others with them, is because without them we do not have viable, nor sustainable family development for our own community's wealth sustaining programs. They are

the ones with whom we create our community wealth in every area, therefore our mission is to plan and do everything with them all in mind!

- With them we coexist to fulfil our journey together in what must be a mutual goal for all – total commitment, loyalty and profitability, produced by an enjoyable connection and exchange in spirit and soul every time, all the time!
- Jesus Christ’s Mission must be managed by committed and meticulous ‘people’ in every area, encouraged by strong and compelling influential ‘people’—as true leaders.

The word “people” has been inserted here for the same reason – so you can personalize it for yourself.

- A unified family means there is no harmful nor detrimental division between the people regarding each member, company group, department, support office, neither between managers, executives, partners and individual working family members in operational functions. We all are part of and committed to the same mission in order for us all to reign together as one worldwide.
- For the purpose of multiplication for growth, all of us are placed and aligned into specific qualifying group functions of each individuals expertise, gifts and abilities in working groups, companies and departments etc. Each with its own specific function and purpose for the growth of the whole family and its mission. This is so each of us as members can reign in our realm and rule uniquely for the order and wellbeing of the family and its mission overall.

Self Test:

Go ahead, put your name into it and ask yourself the question: Is a Mission Committed Anointed Family Member? Remember, we are referring to our Lord Jesus Christ’s Mission—not somebody else’s!

Would my family colleagues and co-workers confirm my answer?

Your brother and co-worker in the Kingdom of our Lord Jesus Christ,

Pastor John
