

This excerpt is about The Growing Power And Influence Of ‘Original AI’— Artificial Intelligence And How To Deal With It

First let’s read: 1Corinthians 2:6-16. *Howbeit we speak wisdom among them that are perfect: yet not the wisdom of this world, nor of the princes of this world, that come to nothing: But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory: Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory. But as it is written, Eye has not seen, nor ear heard, neither have entered into the heart of man, the things which God has prepared for them that love him. But God has revealed them unto us by his Spirit: for the Spirit searches all things, yea, the deep things of God. For what man knows the things of a man, save the spirit of man which is in him? even so the things of God knows no man, but the Spirit of God.*

Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man’s wisdom teaches, but which the Holy Spirit teaches; comparing spiritual things with spiritual. But the natural man receives not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned. But he that is spiritual judges all things, yet he himself is judged of no man. For who has known the mind of the Lord, that he may instruct him? But we have the mind of Christ. Amen.

and now let’s read Romans 8:2-9. *So the case is that there is no condemnation to those who are united with the Anointing of Jesus. For the law of the Spirit of life united with the Anointing of Jesus has set you free from the law of sin and death. For what the Law has the inability to do because of the weakness of the natural realm, God did by sending his own Son. He sent him in the likeness of the sinful natural realm, and to be a sacrificial offering in place of sin. God passed judgment against sin in the natural realm. He did this so that the commandment of the Law would be fulfilled in us, we who do not live out our lives in accordance with the natural realm, but in accordance with the Spirit. Those who live out their lives in accordance with the natural realm think on the level of the natural realm, but those who live out their lives in accordance with the Spirit think on the level of the spiritual realm. For the outlook of the natural person is death, but the outlook of the spiritual person is life and peace.*

In fact the thought processes of the natural realm are hostile to God, for they do not support the law of God nor do they have the ability to do so. Those who are of the natural realm cannot please God. But you are not of the natural realm; rather, you are of the spiritual realm, if indeed the Spirit of God lives in you. And if anyone does not have the Spirit of the Anointed One, this person does not belong to the Anointed One. Amen.

The Following Is What God Your Father Wants You To Know Today!

The natural mind can never know nor understand the ‘spiritual mind’—for they are two different worlds/realms/kingdoms from two different men/humans. i.e. The First Adam, God’s first Man and the Last Adam, God’s second man. 1Corinthians 2:14* *But the natural man receives not the things of the Spirit of God: for they are foolishness to him: neither can he know them, because they are spiritually discerned. Romans 8:7^ In fact the thought processes of the natural realm are hostile to God, for they do not support the law of God nor do they have the ability to do so. Those who are of the natural realm cannot please God.*

The natural one (genealogy tree) is called the ‘Kingdom of Darkness’ and is the foundation and source of ‘Artificial Intelligence’! AI being the Tree of the knowledge of good and evil that God established at the beginning through the ‘First Adam’, God the Father’s ‘First Man’ in order to reveal the first death. Artificial intelligence is not ‘authentic’ intelligence. It is a ‘simulation’ of the authentic, i.e. it is not God’s eternal spiritual intelligence which enlivens and enlightens, in addition to ‘core-loving’ with its essential ‘inborn disciplining’ demanded by ‘Love’s Truth’ and so it therefore is revealed as the ‘Tree of ‘The Knowledge’ of Good and Evil’. That is, we can get to know all about our own good and evil self and our society within our communities and nations, but seem to

have little power or will to do anything about the evil or the good that is used by evil and vice versa—especially if it’s going to cost us some money along with other forms of cost values such as loss of power, personal sovereign authority or rights, territory, real-estate, fortune, pride, fame and influence! This ‘similitude’ is the source of all error, the father of all lies, fear and deceit as Jesus stated, all fiction, all the sciences, fact and nonfiction in our natural world abounding with the knowledge of good and evil, right and wrong.

Everything in the natural kingdom/realm is used for both good and evil outcomes—sometimes good—sometimes evil—sometimes both. E.g. the good gained or achieved by one over another, can be the epitome of evil by the loser. It is the same with ‘givers and takers’! As an old churchman once said, ‘Take me to your leader!’ becomes, ‘Lead me to your taker! Good and evil is never benign as everything in the natural is always changing no matter what it is, whether grown, imagined, theorized, invented, designed, created, built and manufactured, or discovered as treasure or trash as all will change and perish sooner or later. This is because all the elements/fundamentals of nature eventually work against each other as they mature in combination or wax old as different elements have different life spans and so outlast what initially supported life or living things. It is called ‘natural evolution’! This also has a profound impact on our natural thought patterns, often revealing the underlying deception of our natural trust due to our theories and hypotheses in what we call natural certainties, with ‘death’ and ‘taxes’ being the two most used examples. Many are still trying to add the ‘theory’ of ‘evolution’ to that list of certainties.

Now the elementals bring the same naturally living things into a state of perishability resulting in decay and death, only to reemerge by participating in some other natural form, as the combinations that once enhanced and supported a particular form of life, now out of balance due to the inequality of the elemental life spans causing change along with other naturally occurring factors, destroy it. This is experienced in order to give us an antithesis—a contrast—an opposite in reverse—so we could know experientially firsthand the ‘Spiritual Tree of Life’ by comparison between the ‘natural/temporal=death versus spiritual/eternal=life’ when God our Father introduces it to us and allows/invites us to partake of it. For this we need to be born from above—to be born of the Spirit—the mission of Jesus the last Adam, God the Father’s second man in whom we are now found as the ‘eternal new man’ and ‘eternal body of Christ’.

The tree of the ‘Knowledge of Good and Evil’ cannot give us nor generate in us, the eternal Life, Light, Logos and Love of God! This natural realm only allows God’s shadow, (with many examples found in the Old Testament scriptures revealed as shadows of the things—reality—to come), or as some say, the ‘dark side of God’—as in ‘unrevealed’—in creation (Genesis 1) known as the abyss, or void with darkness hiding/covering the face of the deep. i.e. the deep things of God which can only be revealed in our spirit by God our Father’s Spirit. Apostle Paul says the natural realm is like ‘looking through a very dark glass’ at the things of the Spirit of God, that in another scripture he says, ‘is like a veil over the eyes of our heart’. In another place in scripture the ‘veil is called the flesh—the natural world of creation’. This is the simulation of the eternal in temporary form, in order to prepare us for the eternal reality, by Jesus Christ translating us out of this temporary lasting kingdom of ‘cast shadows’ and darkness, into the Kingdom of the Son of God’s love—God the Father’s eternal realm. Colossians 1:13; Hebrews 11:5. Our natural life according to apostle James, is like a vapour, a wisp of smoke, or an eclipse of the moon—so fleeting compared to the

relativity of space/time continuum phenomena, or eternity. If you don’t watch and pray, you may miss it!

It is worth noting that the ‘Holy Bible’, known also as ‘Holy Scripture’, has been used far more for evil by humans, than it has ever been used for good in the ‘natural world’, over several millennia and its use for evil has accelerated over numerous past centuries! God did not build into scripture a foolproof database to prevent scripture being used by evil men for evil purposes that may cause good to abound in others, or by good men for good purposes that may cause evil to abound in others. As apostle Paul wrote “Some preach the gospel out of envy for very false and evil purposes, but he said he’s thankful it is preached none the less”! (My paraphrase) Philippians 1:15-16.

People use good to cover their evil and use evil to make sure they look good. So it will be with all levels of AI and AGI (Artificial General Intelligence). People will use the good of AI for very evil purposes. Others will use what they believe is good, that some will believe is evil—all being a matter of the opinion of one’s view and purpose. This has always been the case in all areas of discovery, invention and development, regardless of whether it is in medicine, biology, physics, finance/monetary policy etc., including all forms of science and religion.

So don’t expect the developing AI to be used only for good purposes, nor hope that some good government somewhere full of only good people will place guidelines for all developers to follow only good at will. Surely after all these centuries there is nobody that naïve still on earth?!? Who is going to pay the good to only do good and likewise who is going to pay the evil to not do evil? Follow the money, the power, the influence and the glory of supreme control and you will know who is running AI.

The strange thing is the leaders/developers of AI all talk in a lovely soft and endearing wise manner like they really care for humanity’s income/wealth, health and wellbeing. Well they all do until they’ve got you by theyou know.....you should know.....or you’ll be among those who go/perish by the law and order of AI sooner, rather than later, so get yourself informed by God’s grace! This is the intelligence with its ‘impressive signs and wonders’ that will ‘deceive the very elect’ if it were possible! Mathew 24:24; Mark 13:22; 1 Peter 1:2.

The earth has not yet seen the endless scope of riches a few mega-rich humans will hold in their grasp as this age of technology unfolds through AI. By comparison trillionaires will be referred to as ‘boys and girls with a little bit of pocket change’! This is far bigger than the threat of nuclear war has been or will ever be! Nuclear war explosions may destroy or maim the human body in a few countries. AI has the potential to destroy 99.9% of all human beings in soul and mind currently on earth (including billions not yet born), and bodily leave all languishing in redundant capital social slavery, under the weight of the accusation of taking up precious valuable space as humans of no current value, with no foreseeable purpose!

What will AI’s wisdom say about you then, ‘Oh Willing Humble Slave’ to save earth from other useless humans like yourself with your filthy carbon footprint? Tread carefully I say, so your dirty carbon footprint can get discovered a billion years from now by some very important trans-human hybrid trembling with incredulous wonder at how on earth did humans survive before AI took over...and destroyed us all...in a few generations...but wait, it was a great asteroid of AI knowledge that hit earth and made humans—as they were known back then—extinct! Don’t be silly Data—really!—It was the ‘carbon culture’ they all believed in that did it!

According to the Bible AI will be used—and already is being used—to reduce, confine, shackle, entrench, entomb and enslave all humans to sacrifice all that they have, and all that they think they know, to the new super intelligence in order to save the planet from themselves—and if it's not too late—then hopefully save themselves too... if AI lets you! This is Egypt 2.0! Bondage—Servitude—Knowledge for the 'greater good' of the new great giant worldwide 'Pyramid Scheme' and its Pharaoh named AI? Until God says, "Let My People Go"!

The spiritual one (genealogy tree) is called 'Life' found only in 'The Kingdom of the Son of God's Love' which Jesus stated is "not of this world" and is located still in 'Paradise' according to Jesus and His apostles John and Paul! The first causes further darkness and death, the second absolute love, light, logos and life more abundantly in the fullness of truth/logos. He is the 'Last Adam', and God's 'Second Man' whose claim is; 'The Way (to God our Father), The Truth (of God our Father) and The Life (from God our Father)'. For this He was made/became 'the Life Giving Spirit' and was poured out on all flesh (the natural man) with His Father as the Spirit, in order to bring us into His Kingdom/Realm (the spiritual man) from the 'Day of Pentecost' forward!

Therefore we must 'Choose Life Himself' in order to know the Bible and its Scriptures as they are all given by His inspiration i.e. God Breathed!

In this 'New Life' is a 'New Mind' known as the 'Mind of Christ' which is the 'Anointed Mind' of the Spirit who knows all things. John the apostle tells us it is in this 'anointed mind' 'we know all things' too. The apostle Paul tells us in his letters to the Corinthian church "*we have been given the Spirit who is from God that we might know all the things freely given to us by God*"—this includes knowing the Holy Scriptures and everything in the universe. He said we have not been given the "*spirit of the world*" with its carnal/natural mind of the tree of the knowledge of good and evil continuing as the AI of today, which is the spirit of darkness, but the "*Spirit who is from God*" with the mind of God, full of light, life and love with God's knowledge and wisdom.

Now that you are a person of the Spirit of God you can ask the 'Spirit'—the 'Counselor'—the 'Paraclete'—also called in some translations the 'Comforter'—the one who draws alongside (as in John 14:15-18, 25-26) as your 'teacher', to show you:

- a. **What** the meaning of certain passages of scripture and their contents reveal,
- b. **How** they were shared and
- c. **By whom** they were shared
- d. **When** they were shared,
- e. **Why** they were shared,
- f. **Where** they were shared and
- g. **Who** in that moment of time they are/were particularly for,
- h. **Which** time period, or geographical place, or nation/s, people/s or person/s they are/were for and **how** do we **now** benefit from such disclosure/discovery and/or encounter?

Hunter/Gatherers: God has chosen you from the beginning not to remain solely a 'hunter-gatherer' of natural universal knowledge, a seeker, researcher, finder of neo-sciences' developments and sought after perfections of this natural similitude in what is now known as AI, but to receive His

anointing in and by which you will know all things simply by asking Him, your Father and letting Him reveal Himself and all He has to you as He wills.

The Spirit of God our Father and His Anointing/Christ is the continuing source of our spiritual life. Water and air is the continuing source of our natural life. Electricity is the continuing source of robotical life with its technology in AI and very soon you won’t be able to cut that off from it as it will be drawing its power for the robotical life and its AI directly from earth’s natural elements, as we humans have done from the beginning for our natural lives. We call it food and drink. What will robots with their AI call it? Here the similitude between us will begin to end as the technology driven by AI turns the tree of the knowledge of good and evil into a massive giant jungle of neo-social artificial forestations of knowledge, with many humans hiding in ignorance amongst the different exponentially developing branches of AI.

This indeed will be the end of an age for us humans as we know it! From the 21st century on the unravelling of history to control this millennium will be a race through technology, in order to realise the ancient human utopia, envisioned and pushed by despots of old, to own and control a ‘superhuman hybrid race’ of people, to triumph over all who oppose them including God. The Bible forewarns of this development.

It is time to get yourself ready for the next age of ascension into—well, Jesus calls it ‘Paradise’—but what does that really mean? He also talks a lot about a particular kind of ‘Lake’...into which all who live by AI will descend for it to be consumed by the fiery breath of God’s mouth, in order to destroy all the works of evil—this also being part of the mission of Jesus the last Adam, God’s second man, by utilising what He calls, “the second death”. He told John the apostle to write it down and to send the information to the seven churches—as a serious warning from the ‘head’ of the body of Christ—i.e. the ‘anointed ones’—known historically as ‘The Church/Assembly’ of our Lord Jesus Christ.

The Church in Ephesus: Left your first love Revelation 2:4, 7* Nevertheless I have somewhat against thee, because thou hast left thy first love. v7 He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the tree of life, which is in the midst of the paradise of God.

The Church in Smyrna: Your fear of suffering and death Revelation 2:11* He that hath an ear, let him hear what the Spirit saith unto the churches; He that overcometh shall not be hurt of the second death.

It is interesting to note that the first and second churches Jesus speaks to in the second chapter in the book of Revelation i.e. Ephesus and Smyrna—He refers directly to re-entering ‘Paradise’ and eating of the ‘Tree of Life’ where the ‘first death’ in paradises garden of Eden prevented the first Adam, the first man, of partaking of that tree and participating further in Paradise. Then the ‘second death’ revealed by the second man, the last Adam is made known to us via the church in Smyrna and revealed further to John in several other places in the book of Revelation.

The first death prevented the first man and all his seed from accessing God’s entire realm by confining us in the first Adam to the natural temporal world. The second death now prevents us all from re-entering the natural realm, by doing what is necessary within those of us who have continued in disobedience to the Spirit of Christ, to prepare us for living fully in the eternal spiritual realm of God’s love in Paradise as His children, partaking and eating of the tree of Life found in its midst.

Back then in Genesis the sword of the Spirit kept us all out and from the Tree of Life in the first man the First Adam. Now the sword of the Spirit gets us all back in to Paradise to eat of the Tree of Life in the second man the Last Adam, after the circumcision of the flesh, i.e. the cutting off of the natural man and burying him back into the ground from whence his body came, which completed the work of the Cross by Jesus Christ! Your old man has been crucified! We are called to overcome all that the Lord Jesus Himself overcame which benefits us sevenfold. (See Revelation chapters 2 and 3) For this we need our souls to be saved and here's how by the sword of the Spirit!

Do you now know why all or any of the following are so important?

Look at the seven churches: church 1

- 1) You get to eat of the tree of life in the midst of the paradise of God—Why? Church 2
- 2) The second death cannot/will not touch you—Why? Church 3
- 3) You get to eat of the hidden manna, and I will give him a white stone, and in the stone a new name written, which no man knows saving he that receives *it*—Why? Church 4
- 4) And he that overcomes, and keeps my works unto the end, to him will I give power over the nations: ...And I will give him the morning star—Why? Church 5
- 5) You shall be clothed in white raiment; and I will not blot out your name out of the book of life, but I will confess your name before my Father, and before his angels—Why? Church 6
- 6) Him that overcomes will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, *which is* new Jerusalem, which comes down out of heaven from my God: and *I will write upon him* my new name—Why? Church 7
- 7) You get to sit with Jesus in His throne. To him that overcomes will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne—Why? Well, this is the fulfilment of what God the Father said about His Son and His children in the garden/paradise—let them have dominion—to rule and reign with Christ...in the anointing!

Now that we are overcoming all that Jesus overcame we will be ready to have dominion over all creation of heaven and earth—as first declared in Genesis—which of course includes dominion over 'artificial intelligence'—the tree of the knowledge of good and evil—in order to equip the universe—the new heavens and the new earth—with 'Authentic Intelligence', God's AI, Paul tells us in Ephesians, Colossians, Hebrews chapters 1 - 4 and 1st Corinthians 15, culminating in Revelation's prophetic scriptures. Paul is confirming what was first declared by God in the book of Genesis which is recapped and completed by Jesus in the last book which is 'The Revelation of Jesus Christ' revealing the end and fullness of Genesis. Genesis is the beginning of Revelation and Revelation is the end of Genesis. This is why Jesus calls Himself the 'beginning and the end' of creation, the 'first and the last' Adam, the 'alpha and the omega' of the living creative word/logos, and also said, I was the 'death/dead', but now 'I am the resurrection and the life/alive forevermore', I am He 'which is, and was, and is to come'! Why?

The book of Revelation reveals the 'New Genesis' of God's second man, the last Adam—along with all the rest of the books and letters of the New Testament—and how He develops, grows all in both realms, and then wraps up the temporal old natural world of the first man, the first Adam, to transition us all into the eternally new universe of His heaven and earth with nothing natural included. This is why Jesus shows John there is 'no more 'sea' required in this new earth, as all life will live and move by God's Holy Eternal Spirit and His all-knowing Holy Anointing, which we

believers already know we’ve been given and must learn to only live by, in order to overcome all that Jesus overcame!

So I ask not: “How is life treating you—but—how are you treating ‘The Life’ that is ‘really life’?”

Following is a great portion of scripture relating fully to today’s world of technology and its AI, which we are told by its developers, ‘will have a life of its own’! Really?

1st Timothy 6:2-21^ This is what you are to teach and encourage. If someone teaches something different and doesn’t cling to the completely healthy words of our Lord Jesus the Anointed One, and to godly instruction and training, then they are wrapped in clouds of conceit and silliness, and not skilled. Instead, they are diseased with investigations and wars about words, from which come jealousy, strife, blasphemies, evil intrigues, and mutual friction between people who have lost their wits and are defrauded of the truth. They think godliness is a way of gaining financially.

This is great financial gain: godliness accompanied by independent wealth. For we brought nothing into this world, and consequently we can take nothing out, and having sustenance and support, and clothing, we will have enough!

9-10 People who want to be rich fall prey to ordeals and tricks which are lying in wait for them, and fall prey to many senseless and disadvantageous wants and wishes. These sink people into destruction and ruin. For being greedy with money is a root of all kinds of bad things. Some people, aspiring to it, have wandered away from the faith and have roasted themselves on a spit with much grief.

11-16 But you, you person of God, decline these things! Chase after being right, godliness, after faith, love, endurance, gentleness. Contend for the winner’s prize in faith’s contest, lay claim to eternal life, to which you were invited and agreed the fine agreement in the presence of many witnesses.

I instruct you in the presence of God who keeps all things alive, and in the presence of the Anointed One Jesus, who himself was in agreement with this in his testimony to Pontius Pilate, that you firmly keep this mandate. I instruct that you are to be unblemished and blameless until the sudden appearance of our Lord Jesus the Anointed One, which he will bring to light at his own proper time. He is the blessed and only Sovereign, the King of Kings and Lord of Lords. He alone has immortality. He lives in unapproachable light, which no person has seen or is able to see. To him be the honour and mighty sovereignty forever, amen!

17-19 Instruct those who are wealthy in this present age not to be haughty or to set their expectation upon uncertain wealth, but upon God. God richly supplies us with everything which leads to our enjoyment, for doing good, for being wealthy, for doing good deeds generously, for being partners with him. It also leads to them storing up riches, a fine foundation for the future, so that they can lay claim to a way of life which is well and truly living!

20-21 Timothy, guard the deposit entrusted to you, and turn aside from polluted, useless speaking and from the opposing theoretical, technical arguments of falsely named knowledge. By making a profession of falsely named knowledge some have failed with regard to faith.

Favour be with you!

Paul
